OVERVIEW

Overview

Complementary products for installing and caring for mosaics: adhesive and flexible grout for wood, cleaning solvent, impregnating oil, wet-stone treatment and mirror-mosaic adhesive.

PRODUCT CHARACTERISTICS

Application	**Intérieur**
Installation	**collage**

THE MATERIAL

Installation product

Adhesives, grouts, solvents, oils and treatments for wood, stone and mirror mosaics.

INSTALLATION

Installation

1. **Wood adhesive** Fast-setting adhesive: notched trowel max 3 mm; clean tools and hands with solvent after use.
2. **Flexible wood grout** Hardens quickly: grout 0.5 m² at a time and remove excess at once; usable after 48 h.
3. **Solvent** Removes fresh grout residue; never mix with other substances; wear gloves.
4. **Impregnating oil** For oiled wood mosaics only; coats 24 h apart; usable after 48 h.
5. **Wet-stone effect** Sealer applied after installation on matt stones; not for polished stones.
6. **Mirror adhesive** For bonding mirror mosaics; test for discoloration first.
